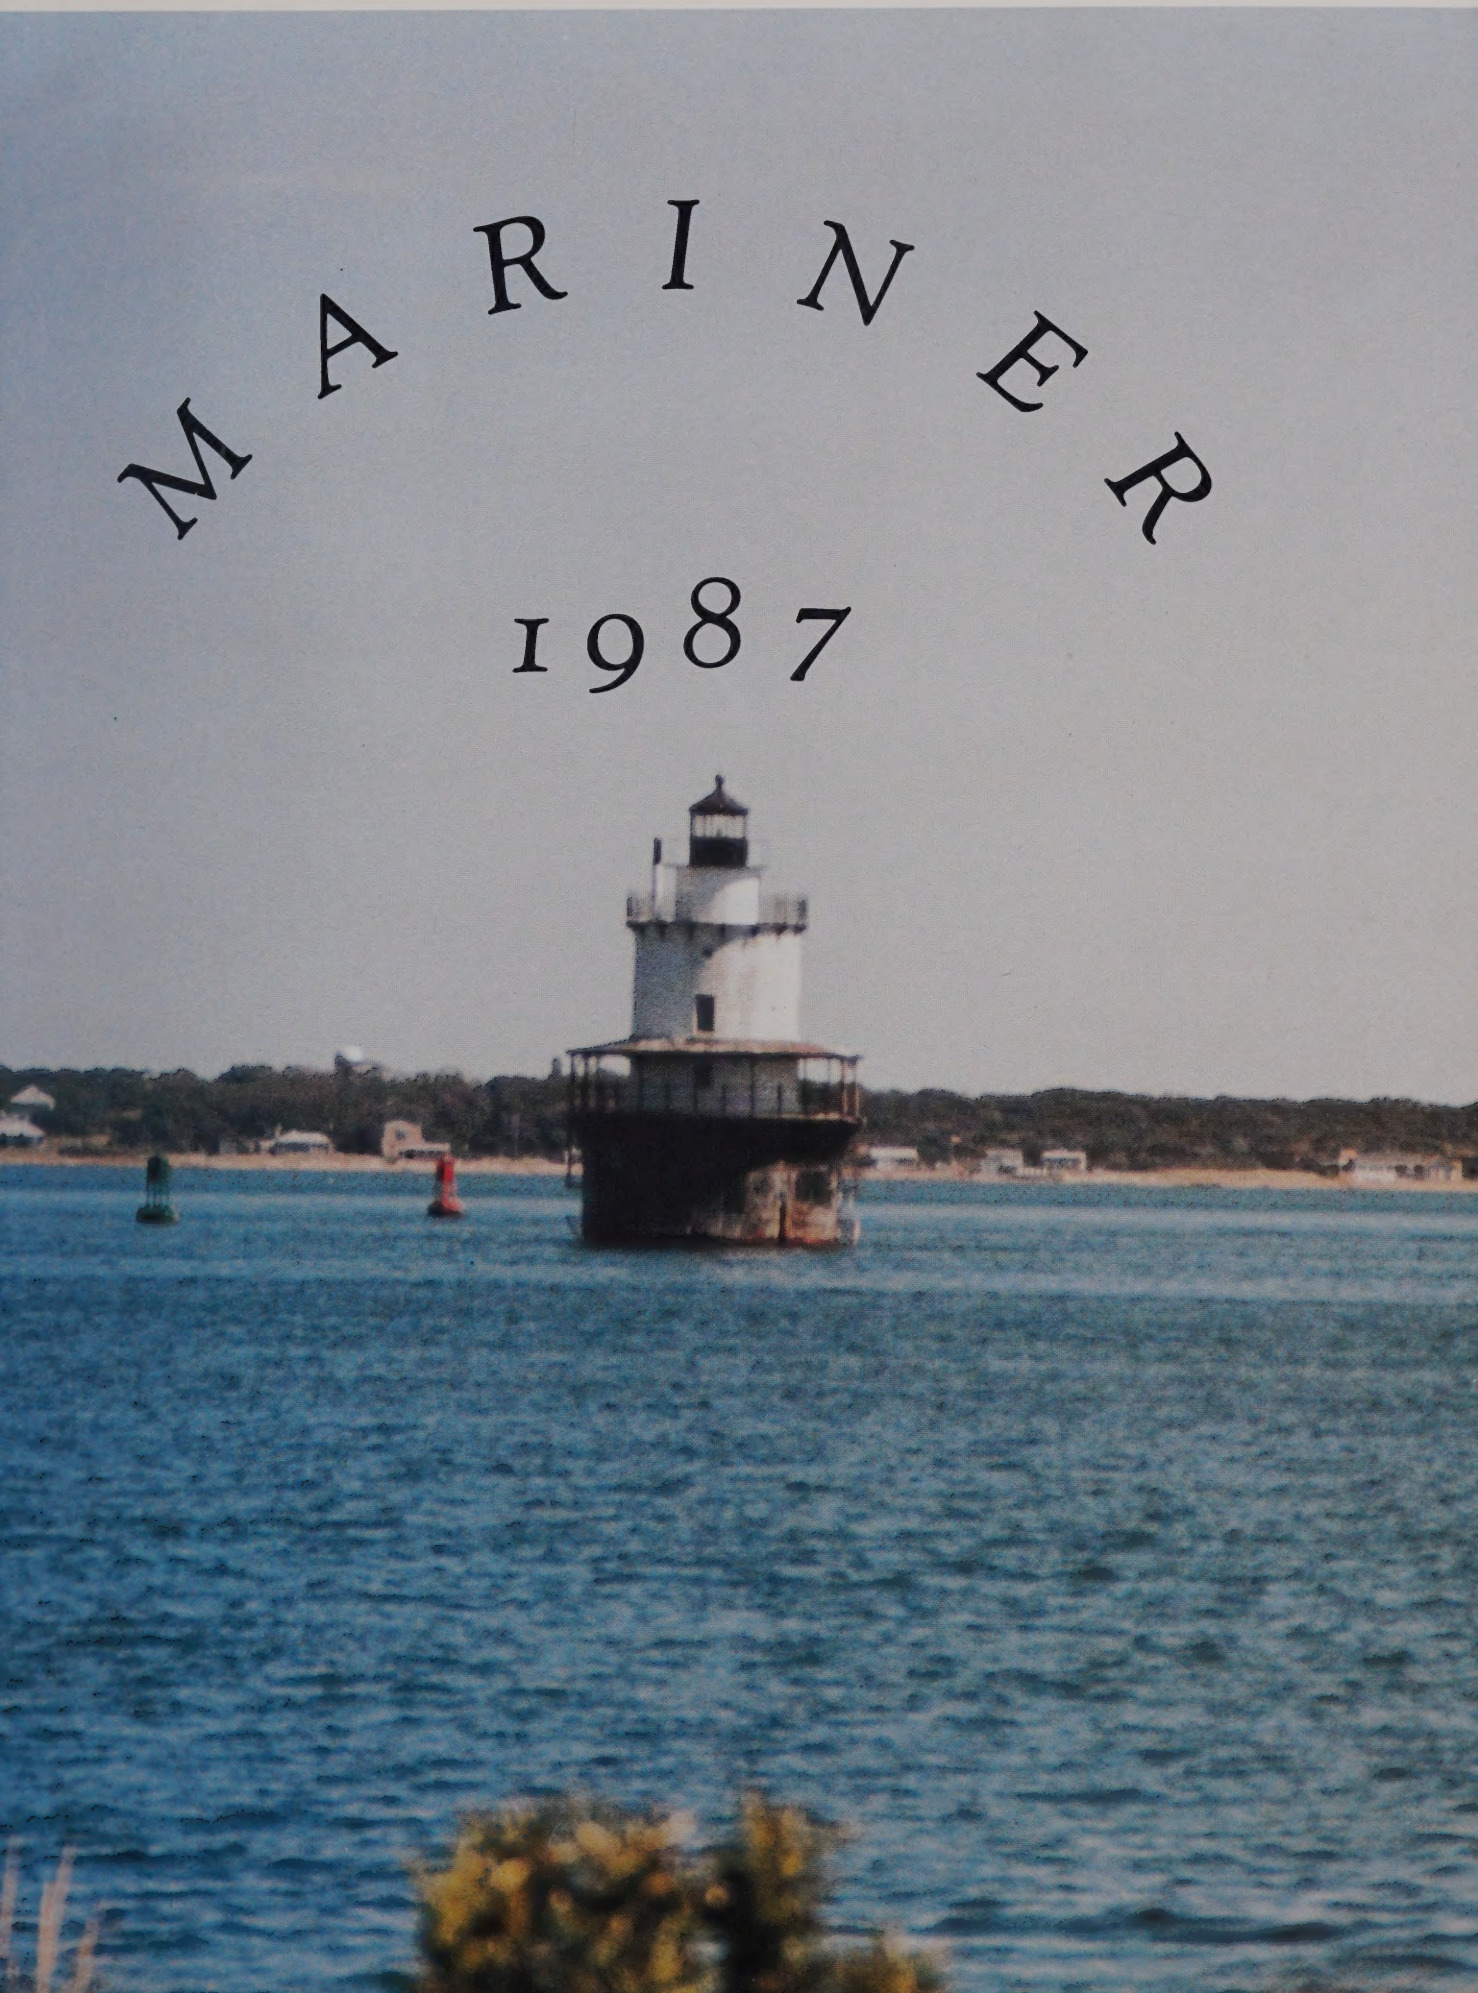
MARINER 1987

MARINER

1987



The yearbook staff would like to thank Mr. Edward Macedo for all the hard work he has put in over the years as our teacher and advisor. He is sincerely appreciated for helping us make the 1987 yearbook a success.

With Pride . . .

The Class of 1987 wishes to express sincere gratitude to the people of New Bedford, Dartmouth, and Fairhaven. In 1972 these communities merged to form the Greater New Bedford Regional Vocational Technical High School District. This merger founded our school which accorded us seniors with excellent training for the future. Our four years of training provided us with the marketable skills necessary to compete in the working world. In addition, we have been given the potential opportunity of higher education if we so choose.

Ten years ago, the school opened its doors, and in June of 1978, the school celebrated its first graduating class. It is with great pride that the seniors of 1987 continue this celebration.

In commemoration of this auspicious tenth year anniversary, we extend our appreciation to the people of New Bedford, Dartmouth, and Fairhaven.

Dedication

We, the Class of 1987, dedicate "The Mariner" to Mr. Michael Shea, our director of athletics, head football coach, and counselor in times of need.

Since coming to the school in 1978, he has successfully coached boys and girls track as well as football. He received his undergraduate degree from Boston University, where he was elected captain of the football team. He earned his masters degree from Bridgewater State College and this past year received his C.A.G.S. from the same institution.

His calm, pleasant manner and understanding attitude have earned him the respect of the entire student body.

In Memory of . . .

Marc Gilmore

April 19, 1969 - September 21, 1983

Although Marc attended Greater New Bedford Regional Vocational Technical High School for only a short period of time, the Class of 1987 wishes to remember him in our yearbook. He is missed and will always be remembered as a classmate.

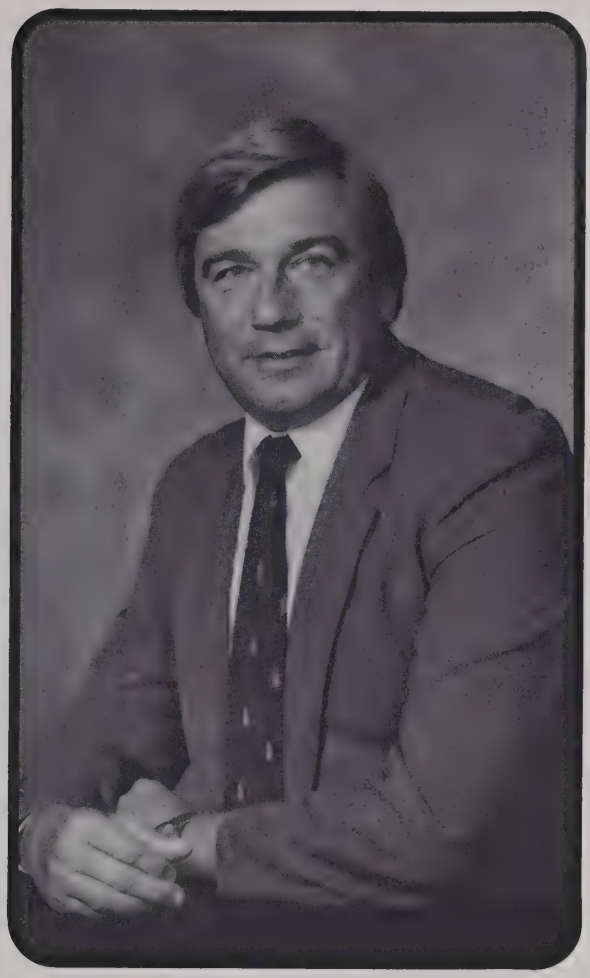
Superintendent-Director



Dear Graduates of the Class of 1987:

Congratulations to each and every one of you. You will be facing many challenges in the next few years. It is comforting to know that your training at the Greater New Bedford Regional Vocational Technical High School has prepared you to meet these challenges. The students, staff, and school are recognized as one of the leading educational occupational training centers in the state. Our students are recognized as having positive work attitudes, high technical skill levels, and strong academic training.

The students of this year's graduating class have the distinct advantage of having been trained to cope with our ever changing and technical job market. We have trained you to face the many challenges that lie before you and feel secure in knowing you will meet and conquer them.

Good Luck!

Directors

The graduates of 1987 know that, "It is not your apptitude but your attitude that determines your altitude."

Graduation is not the end of the game but rather a new beginning. It is "First and ten." A new start, a new opportunity to work for another touch down, another score, another Victory. You have all learned to focus on goals and objectives, to dedicate yourselves to earn success, and to discipline your lives to overcome difficulties, and disappointments and not give up. The only place that *success* comes before *work* is in the dictionary. Become the *author* of your own *life*. Don't merely report for practice (life), make practice (life) report for you. The difference between *champ* and *chump* is *U*.

You are my last graduating class. You're the one I'll remember the best. May God grant you a life of purpose and service.

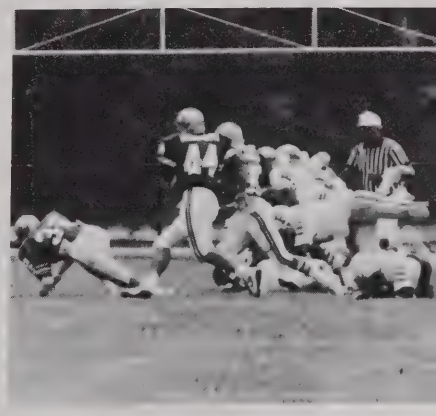
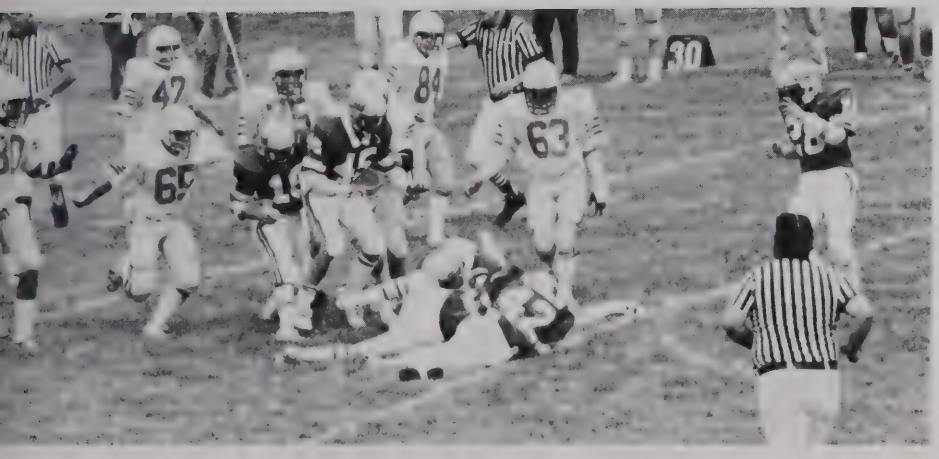
The Football Team finished the year with an overall record of 7-3. The team was 7-1 in the South Coast Conference and shared the title with Dighton-Rehoboth. The South Coast Conference All-Stars were Pat Anderson-running back, George Ferro-lineman, Darrin King-lineman, Brian Patnaude-def. end, Bobby Cabral-def. end, Dave Sinagra- def. lineman, Joe Corvelo-linebacker, Tyrone Jones-linebacker, and Jim Kelly-secondary.

Pat Anderson and Jim Kelly were selected Standard - Times All Stars while Pat was also the Voc-Tech recipiant of the Otto Graham Award.

The captains Pat Anderson, Kevin Medeiros, Bobby Cabral and Brian Patnaude did a fine job of leadership for the Voc-Tech Bears.





BASEBALL

Although the team record was not good, several players had a good year. J. J. Machado led the hitters with a 300 average. Mike Manghan was a pleasant surprise on the mound with a 0.93 ERA.

The highlight of the season was a 11-10 victory over Apponequet to drop them from first place.

Thru the hoop

This past season the Varsity Basketball Team finished in a 7th place tie with Bourne High School in a very competitive South Coast Conference. This year's graduating class of Pat Anderson, Randy Pemberton and Jim Demers will be greatly missed next year, but on the positive side Voc-Tech will be returning four underclassmen with varsity experience. Adding this experience with a freshman team that produced a 14-6 record. Things just might be looking up for the "Bears" Basketball program.

The Winter Track Team had an outstanding season, with an overall record of 4 wins and 2 losses. They came in second in the standings, in the South Coast Conference. The team also came in second in the Conference Meet and losing that by only 8 points. Players that are a "main stay", are Kevin Medeiros, Jim Hubert and Lance Stevens. These players all were nominated to The Standard-Times All-Star Team and also the South Coast Conference All-Star Team. Kevin Medeiros was undefeated in the high jump and had the area's best height of 6′ 6″. Jim Hubert was undefeated in the 600 yard run and Lance Stevens was undefeated in the 2 mile run. For the girls' team, Kris Moshier was our "main threat" in the 300 yard run. Kris is one of the top three in the area, in this event.

The 1986 Cross Country team had a overall record of 4 wins and 4 losses. With only 2 of the top seven winners returning from last year's squad it looked like a rebuilding year. As the season went on the 1986 team got stronger with each meet. Seniors Craig Moreira and Steve Dawson provided the team's stability. Lance Stevens finished 1st or 2nd in most of his races. Todd Silvia when healthy provided the depth.

The big surprise was first year runners Mike Bristow (Jr.) Scott Cruz (So.) and Jim Ponte (Fr.). All three were major factors in the team's successful season.

Larry Langlois (Sr.) also contributed to the success of the team. Christy Moreira (Fr.) had an outstanding season for the girl's squad. Runners to watch next year are Matt Morrisse and Joseph Pereira.

First row: Mike Bristow, Larry Langlois, Christy Moreira, Steve Dawson, Craig Moreira, and Lance Steven. *Second row:* James Ponte, Carlos Antao, Todd Silvia, Joe Pereira, Scott Cruz, Matt Morrisse, and Paul Lourenco. *Third row:* Sue DaSilva, Coach Souza, and Darleen Fletcher.

Despite A loosing season the girls competed well on the South Coast Conference. They never gave up in any game they played. Sue Briggs was the only senior on the squad and played well in her senior year. Next year Paula Demers, Lynne Berard and Cathy Casey will return as seniors to next years squad. With these returning girls the team should do better next year.

Front row: Christy Morreira, Nancy Arruda, Cathy Casey, Nancy Wilkinson, Anna Arruda. *Back row:* Cheryl Tisdelle, Sue DaSilva, Paula Demers, Sue Briggs, Lynne Berrard, Coach Silvia.

Volleyball

The young team, led by graduating captain Sandy Anacleto, experienced considerable growth this season. The most improved areas include playing as a team, overall improvement of playing skills and actual game experience. Comprised primarily of freshman players, the outlook for next year is promising.

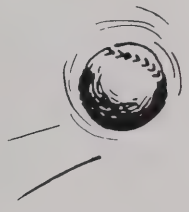
ALL PRO



The 1986 year brought in many new prospects for the upcoming season. The majority of the team were freshmen and sophomores with a limited amount of experience. The first half of the season was a test for this young team to see how they could weather the stormy seas in this very competitive conference. Unfortunately the second half of the season the Varsity schedule was dropped and limited to freshmen and junior varsity level where the team did pull out two victories to their accomplishment. We're looking forward to a more prosperous future in girls softball here at Voc-Tech as the team will gain more experience as time goes on.

FOOTPRINTS

One night a man had a dream. He dreamed he was walking along the beach with the LORD. Across the sky flashed scenes from his life. For each scene, he noticed two sets of footprints in the sand; one belonged to him, and the other to the LORD.

When the last scene of his life flashed before him, he looked back at the footprints in the sand. He noticed that many times along the path of his life there was only one set of footprints. He also noticed that it happened at the very lowest and saddest times in his life.

This really bothered him and he questioned the LORD about it. "LORD, you said that once I decided to follow you, you'd walk with me all the way. But I have noticed that during the most troublesome times in my life, there is only one set of footprints. I don't understand why when I needed you most you would leave me."

The LORD replied, "My precious, precious child, I love you and I would never leave you. During your times of trial and suffering, when you see only one set of footprints, it was then that I carried you.".

Live Today

We worry needlessly at times,
just what tomorrow brings.
We dwell on "what if" happenings
and other needless things.

An unkind act or word was said
and so we sit and cry.
We dwell on hurts and sadness
as yesterday went by.

It's now that tells the story
So this is what I pray,
"We need your help Dear Father,
to live our lives today"!
